Skills

Programming Languages: Java,
Frameworks and Technologies : JavaScript, HTML, CSS , Node.js . React.js
Databases and Tools: MySQL,,Git

Education

VIT Bhopal	Nov 2022 - Jun 2026
B. Tech in Computer Science and Engineering Specialization in AIML	CGPA: 8.52/10
St.Columba's School	Mar 2022
High School Education (XIIth)	Percentage: 82%
St.Columba's School	Mar 2020
Secondary Education (Xth)	Percentage: 71%

Project Work

- **Stock Trading App (ongoing):**
  - Learning full-stack development by building a stock trading application with features like user authentication, transaction handling, and real-time data visualization.
  - Designing a secure, responsive UI with authentication, transaction features, and dynamic visual analytics for an engaging user experience.

- **Cricket Data Analytics (2024):**
  - Developed a full-stack cricket analytics system using Python for web scraping, Pandas for data analysis, and Power BI for visualization.
  - Automated data extraction from cricket websites using Python libraries like BeautifulSoup and Selenium for real-time stats.
  - Processed and cleaned large datasets with Pandas and NumPy to generate actionable insights and performance trends.
  - Designed dynamic Power BI dashboards to visualize player stats, match performance, and predictive analytics for cricket tournaments.

- **EduTrack(2024):**
  - Developed a scalable web app using React.js, Node.js, and MySQL for managing teachers, students, courses, and subjects.
  - Implemented real-time CRUD operations with WebSockets and JWT-based authentication for secure role management.
  - **Integrated a dynamic course time-tracking system with Redis caching and scalable API endpoints.**
  - Spearheaded development of a React Native stock trading application, incorporating Firebase authentication and real-time transaction processing, ensuring a 99.9% success rate for secure user transactions daily.

Certifications

- AWS Academy Graduate - AWS Academy Cloud Foundations
- IBM DevOps and Software Engineering
- Java Programming for Complete Beginners

Languages

- English
- Hindi

Extra-Curricular Activities

- Took part in National Mathematics Olympiad and secured 3rd position in School
